

Bacterial Vaginosis Test Collection Device

The BD Affirm test for bacterial vaginosis (test code BVT) can only be collected using the BD Affirm Ambient Collection Device. This collection device may be ordered from the NWH Lab Supply Order Form and is listed as BD Affirm Swab (for bacterial vaginitis screen). There are 10 to a box.

This test is a DNA-based test for *Trichomonas*, *Candida* sp., and *Gardnerella vaginalis*.
